Accreditation

With this **partial accreditation certificate**, Deutsche Akkreditierungsstelle (German Accreditation Body) confirms that

WINDTEST Grevenbroich GmbH
Frimmersdorfer Strasse 73a, 41517 Grevenbroich

operates a testing laboratory that meets the requirements pursuant to DIN EN ISO/IEC 17025:2018 for the conformity assessment activities set out in the annex to this certificate. This also includes existing legal and normative requirements for the testing laboratory, including those set out in relevant sectoral schemes, provided that these are expressly confirmed in the annex to this certificate.

The management system requirements of DIN EN ISO/IEC 17025 are written in the language relevant to the operations of testing laboratories and conform generally with the principles of DIN EN ISO 9001.

This accreditation was issued in accordance with Article 5 (1) sentence 2 of Regulation (EC) 765/2008 after completion of an accreditation procedure with due regard to the minimum requirements of DIN ISO/IEC 17011 and on the basis of an assessment and decision of the appointed accreditation committees.

This partial accreditation certificate is valid only in conjunction with the decision of 5 July 2024 under accreditation number D-PL-11233-01.
It comprises this cover sheet, the reverse side of the cover sheet, and the following annex containing a total of 3 pages.

Registration number of the partial accreditation certificate: **D-PL-11233-01-02**
It is a component of the accreditation certificate D-PL-11233-01-00.
